SUBJECT: Contract SSC-55 (sic)

Dear Hal:

Pursuant to the request in your communication dated January 19, 1956, there are forwarded herewith four copies of a document headed "Assumptions and Understandings Pertaining to Entitlements of Contractors Personnel and the Method of Handling Financial Obligations of Such Employees at Forward Base of Operations". The only changes between this submission and the document transmitted with my communication dated 28 November 1955 will be found in the portion titled "Contingent Items". The other contractor with which this plan was discussed was pleased with the document as originally written but they raise no objections to the suggestions made by you and your personnel during my last visit.

I have purposely withheld transmission of the enclosure in the hope that we would have definite information as to the first location which is mentioned in broad terms in the general portion of the paper. It is now quite obvious that some period of time will elapse before other data may be transmitted to you and it is desired to place the attachments in your possession at the earliest practicable date to permit final review and comment, if necessary, at the suppliers' meeting which will be held on 29 February and 1 March 1956 in Washington D. C.

Very truly yours,

Doug
